

AQUATAP™

THE ULTIMATE TAPPING SYSTEM

Introducing Aqua-Tap Pro & Aqua-Tap Pro-T. The most complete and efficient, hot (wet) tapping machine just got better. Now including the most powerful cordless drill on the market - DeWalt 36 Volts! Complete kit includes 11 commonly used IPS & CTS valve adapters. (3 more than the standard kit). Also includes Cobalt & Tungsten carbide coupon retaining pilot bits. A single charged battery can tap up to seven 1" ductile iron taps! And, of course, many more PVC & AC taps.

All of the power, valve adapters, cutters, and tools you will need to perform 3/4", 1", 1-1/2", and 2" hot taps in one convenient kit.

TIGER CUTTERS

AT-Pro= PVC, & AC tapping.
(Standard carbide tipped hole saws.)

AT-Pro-T= For Ductile Iron, other
steel, PVC, & AC tapping.
(Standard carbide tipped hole saws
& Tiger Cutters.)
